

The Fort Worth/Mid-Cities Report

A Quarterly Report for the Fort Worth/Mid-Cities Chapter of NARPM

A Message from the Chapter President

Winter 2010

Hello All NARPM Partners.

Well, the New Year has started with a bang!

We installed our new officers for the Fort Worth/Mid-Cities Chapter in January. Our new Board of Officers is listed in the Newsletter. The only change is Darryl Kazen is now our Treasurer.

We have great expectations for this year with a lot of Education planned for the membership. We are discussing speakers on EEOC, contract changes, foreclosures and bankruptcy. All of these subjects, as we all know, will affect Property Management this year and we need to be prepared. Let us know if you have a topic you think would be interesting to the membership.

We have set the calendar for meetings each month to help all of us be better Managers. We will have speakers at each meeting to enlighten us on subjects we all need to know. We plan to have two breakfast meetings and one lunch meeting a quarter. We think that having more time for a speaker will help all of us understand the subject better. Be sure to read your newsletter and check our website to find out what will be coming up next.

We have been approached by our Regional Vice-President to be the Chapter Spotlight in the Residential Resource Magazine. This is a great honor and Cindy Hoover is working on the article. Let's all work together and make our Chapter the Chapter of the Year in NARPM this year.

Don't forget the TAR mid-winter meeting is in Austin February 19-23. The Property Management Forum is at 8:00 and the Committee meeting is at 9:00. This is a great time to meet and network with Managers from around the State.

We are all excited about this year and with your help we can achieve all of our goals.

*Tony Sims,
2010 Chapter President*
